

Peace my friends,

Tuesday evening we heard from Bishop Elaine again. You can read her letter here: <https://tinyurl.com/unmpttw>

The skinny from her letter is multifold:

**1** – All in person worship services and gatherings are suspended through the end of April.

**2** – This includes closing our buildings (except for essential services as dictated by the city/state) and protective cleaning and hygiene practices are mandatory. -This begins March 28<sup>th</sup>-April 30.

**3** – This is a call for us to care for our most vulnerable.

**4** – This may be extended, if necessary. Our goal is to love one another. We do not want to provide an opportunity for this virus to spread. So out of an abundance of caution, these are the directives.

**What this means for us:**

We will continue to worship online together and not hold any in-person gatherings through the end of April. Pastor Autumn is diligently diving in and learning how to provide dynamic worship opportunities during this time. We will continue to offer zoom gatherings and we're learning more everyday what this platform can do. Zoom is encountering an increase of users so have patience with their system. You can always dial-in to a gathering, while that means you cannot see people, you will be able to hear and participate with the group.

Attached to this email is this Sunday's worship guide. If you would like to receive the hard copy for next week, please let us know and we will put one in the mail for you next week.

Below we have zoom offerings Sunday and throughout next week. My in-person office hours have been suspended but I am offering 2 virtual office hours this week for you to drop in for a few minutes or the whole time! If there are other ways you would like to connect, (or if you would like to host something) let me know!

Grace and Peace,  
Pastor Autumn

**FOR WORSHIP THIS WEEK:**

**ZOOM INSTRUCTIONS:****ZOOM FOR COMPUTER**

Click the link to access the meeting directly. Please note that you will have to download the ZOOM software to your computer, so I recommend that you click the link well before the meeting begins to give you plenty of time to do so. Once you have downloaded the software rather than clicking the link, you can open the software/app, click join meeting, and enter the meeting ID provided below for tablet, iPad or smartphone.
