HAPPY NEW YEAR!

Edition #5

Hello Church Family

I am excited to say that we are working on reengaging with families that are currently unhoused in Anchorage. Since March 2020, the **Emergency Cold Weather Shelter** has had to readjust. The families did not fall through the crack, but were able to be housed in hotels. And now it is time for us, as believers and followers of Christ, to answer the call to reengage with this amazing outreach ministry. We are being asked to help welcome families at the hotel where they are staying, providing them with care packages, help fill out the registration paperwork, and help them settle in. The plan at this time is to have an online sign-up so that AWAIC will know who to call on what days to help, with the idea being churches will again have a specific night on a rotating schedule of volunteers.

If you are interested in being a part of this AMAZING ministry opportunity, please contact me via email at fumc@gci.net or call my cellphone (907)351-0274. Thank you for your consideration

Please consider blessing the Blessing Box. You can bring a food donation for the pantry to distribute daily, or place your contribution in the box as you drive by!

Thank you for the faithful who have restocked the cupboard

Blessing Box Needs

Please remember that items placed in the Blessing Box in the winter will freeze. We do not recommend drinks in containers that may burst when frozen.

Downtown Hope Center

December Cold Weather Survival Drive to benefit the Downtown Hope Center (DHC)

We are having a cold weather clothing and gear drive for the homeless men and women that the DHC serves. It will go through Sunday December 26. During the service on the 26th, Pastor Ken will bless our gifts. Everything will be delivered on Monday December 27.

Temperatures are pretty frosty out there. No one could know that better than our homeless neighbors who walk the streets every day for lack of housing. These men and women are in need of articles of clothing of all kinds and all sizes. There are some big men and women as well as petite folks out there.

Items in need include:

Thick warm socks, underwear, bras, long johns and more long johns, sweatshirts, sweaters, gloves/mittens, neck scarfs, neck gaiters, hats. The DHC is also lacking in warm outerwear like footwear, coats and especially snow pants.

Not all need be new. Gloves, mittens, scarves, gaiters, coats, snow pants, boots etc. are just fine used if still in good condition and warm. I know I don't have snow pants at home to donate, but Costco has a selection and are fairly inexpensive.

As most of you know, the grey bin and the basket are still under the table in the coffee room to collect your donations. There will be an extra bin as well for the drive. You can drop items off during church hours, Monday through Thursday, 9a.m. – 2p.m., or bring them in on Sunday mornings.

I will deliver our donations to the DHC at the end of the year.

As always, thank you for your continued support for this mission.

Fiber Fellowship: January 3rd and 17th in the New Year

Fiber Fellowship will be meeting the first and third Monday evenings of the month.

Those who feel comfortable gathering in person with masks and social distancing are welcome to gather at Anchor Park while others who prefer to gather by zoom (or find it more convenient) are also welcome as we always have that option available as well.

During our time together we'll share some sort of devotional and enjoy each other's company as we work on projects of love and warmth to be shared with others as an expression of God's love.

This group is open to anyone who may be interested, so consider joining us. Have questions? Feel free to reach out to Jo Anne Hayden at hayden@alaskan.net or 903-5025.

It is helpful if you plan to join us in person to let Jo Anne know so that you are kept updated on current information for that
