

Which river was Jesus baptized in?

Follow the lines.
Write the letter in the shape.

A large dashed-line shape representing the word 'JORDAN' is formed by connecting various geometric shapes. The letters are: J (diamond), O (hexagon), R (square), D (star), A (triangle), N (circle), and R (square).

Below this, there are two rows of shapes for tracing. The first row contains: J (diamond), a hexagon with a horizontal line, a square with a horizontal line, a star with a horizontal line, a triangle with a horizontal line, and a circle with a horizontal line. The second row contains: a hexagon with a horizontal line, a circle with a horizontal line, a diamond with a horizontal line, a triangle with a horizontal line, a square with a horizontal line, a circle with the letter 'I', a diamond with the letter 'V', a hexagon with the letter 'R', a square with the letter 'R', and a triangle with the letter 'E'.

Jesus asked John to do something.
What was it?

Use the code to fill in the missing letters.

A voice from heaven said, "This is My Son,
whom I love, with Him I am well pleased."

Circle 5 differences in the 2nd picture.
