## COVID OUTREACH MISSIONS

Having decided to make extra outreach mission efforts during COVID, the Willow Food Pantry was our first recipient. Anchor Park helped to feed about 600 families from June to December in 2020, with a total food donation of 2,950.50#. In 2019 their total food provided from all sources was 29,000#. We just collected and donated 1/10<sup>th</sup> of that! For one small church and 5 months, that is far beyond generous! How lucky we are to be part of such a loving church!

The folks that serve the Willow community and the community itself are so grateful for what Anchor Park has done! The food barrel is still in the coffee room for any donations, as in the past.

COVID is still here among us and so is the increased need of people in crisis. For the month of January 2021, we will be collecting paper products (toilet paper, paper plates and cups) to benefit Beans Café and The Downtown Hope Center. When asked, they specifically asked for these items. Donated products will be collected in the coffee room on/under the table next to the kitchenette that will be labeled for Beans and Downtown Hope Center. I will collect the donated items on Feb 20, divide them and distribute them.

The people we walk with in the middle of their crisis are so very grateful.

Thank you for your support, compassion and love!

Pam,

Outreach chair

**“By this all people will know that you are my disciples, if you have love for one another.” ~ John 13:35**

Your donations for both services can be dropped off at the church during office hours

### APUMC Fiber Fellowship

As we begin another new year, Anchor Park Fiber Fellowship openly welcomes those who

might like to join us in our mission: to know God better through devotions, prayer, and the sharing of God's comfort and love through the making and giving of hand-crafted items. Twice a month we connect with each other via zoom from the comfort of our own home - together through the distance via technology! With a typical pattern of meeting on the first and third Monday evenings of each month, our next meeting will be held on **January 18<sup>th</sup>**, starting at 6:30 pm and ending by 8 pm.
